LOGML 2025

LOGML Summer School 2025 Sponsorship Details

The LOGML Summer School 2025 will take place on **July 7–11 at Imperial College London**, uniting mathematicians, computer scientists, and industry professionals to explore challenges at the intersection of geometry and machine learning. Sponsoring this event is an excellent opportunity to connect with top-tier talent, enhance your organisation's visibility, and support cutting-edge research.

Sponsorship tiers

We offer flexible sponsorship packages designed to meet the needs of a range of organisations. Each tier builds upon the benefits of the previous tier, offering progressively greater visibility and engagement opportunities.

Bronze Sponsor - £800

- Your company's logo and description on LOGML website.
- Logo displayed on a dedicated on-site billboard at the event (logos will be grouped according to sponsors' tiers).
- Recognition in the opening and closing remarks of the event.
- Option to host a company booth at Company Night for networking with participants and mentors.
- Opportunity to provide branded materials (e.g., flyers, swag) to participants.

Silver Sponsor - £1,000

Includes all Bronze-level benefits, plus:

- Complimentary registration for one employee. *

Gold Sponsor - £2,000

Includes all Silver-level benefits, plus:

- Access to CVs and contact details of participants for six months post-event.
- Logo displayed on interval slides during live sessions.
- Presentation slot (10 minutes). We will liaise with the company's point of contact to schedule this slot and provide access details before the event.

Diamond Sponsor - £4,000

Includes all Gold-level benefits, plus:

- Assistance in identifying candidates tailored to your recruitment needs, based on academic performance and mentor feedback.
- Complimentary registration for up to two employees. *
- Featured presentation slot (15 minutes) during the Company Night.
- Option to sponsor a social activity, which will be co-organized with us and named after the sponsoring company, providing additional branding and engagement opportunities.
- We are open to considering specific tailored requests. Any request will be reviewed by the organization and advisory committee and granted if approved by a majority vote. This allows for additional customization to align with your company's goals and interests.

* Note on complimentary registrations

LOGML will host talks, tutorials, a poster session, 12 hours of collaborative project work, and various social activities. Given the significant time commitment required for the project work, company employees enrolled via the complimentary ticket may opt-out of this component if it conflicts with other work commitments.
